

Booth Dining

We have 2 dining booths that can fit up to 8 guests. We suggest having a mini feast, a spread of dishes to share at the table and enjoy as a group.

We can offer Sunday roasts, seasonal specials, game, local meats & produce, global cuisine. In short, come and see us and we can discuss these options.

Dishes can be tailor made to suit the occasion and your palette. We can offer a variety of options, courses & serves to suit any meal.

We enjoy making the menus something for you to remember and would love the opportunity to discuss with you what options we have.

Come in and see us for a chat, we are ready to serve you the perfect meal.
