We recommend...

Trentino, Italy, White;

Nosiola Terraza Della Luna 2016

New to our list and available by the glass, this is a wonderful dry white, offering a good alternative to Sauvignon Blanc. With hints of green apple and a light refreshing taste, this wine goes well with seafood or is easily a good drinker on it's own on the terrace. 100% Nosiola grape, which is the signature of the Trentino region. 20
