

Group Dining FAQ

We are an open plan restaurant and do not have any private dining spaces, however we are able to cater for large groups up to and including exclusive use for 85 diners.

For all large bookings of 10 or more guests we ask that you email us with your enquiry to info@tapandkitchen.com

We may require a pre order for your dining group particularly at weekends and on busy services.

We will require a £10 pp deposit to secure the booking which is redeemed against the bill on the day of the meal.

For group dinners in the evening we offer a Feasting Menu which starts at £32 pp or alternatively we offer a 2/3 course A La Carte menu £26/£30 respectively.

On Friday and Saturday evenings there is no 2 course option.

Monday to Saturday lunch times we can discuss options with you based on your groups needs or time constraints.

Sunday lunch times in addition to the feasting option we have a 2/3 course A La Carte menu £24/£28 respectively.

Children under 12 can simply order from the children's menu available to view online.

If we are offering a 2/3 course menu there is no single course option. We will always try to accommodate dietary needs and allergies where at all possible and most dishes can be amended to suit.

Our menu is seasonal and changes daily, we upload example menus often and on confirmation of booking we will send the menu for your group to pre order from.

Should you ever want to discuss your menu options with us do not hesitate to get in touch prior to confirming the booking.

All pre orders are requested by email on the forms provided.
