

# Covid Secure

As we reopen our doors to trade, booking is now essential for you to enjoy the restaurant. We will have limited availability for walk in drinking and dining.

We have acted upon Government advice regarding procedure and will constantly evaluate this as we begin to trade again.

In accordance with the new guidelines we are undertaking the following measures to keep the restaurant a safe and enjoyable environment.

## Team and Guests:

1. Every team member has undergone a Covid 19 awareness course prior to relaunch
2. Daily team temperatures will be taken, logged and monitored upon arrival to work
3. Hand sanitising stations are available in all staff and customer areas
4. These stations will include restaurant entrance and exit points, toilet corridor, staff corridors and the kitchen
5. Cleaning schedules with key time slots are in place for touch point surface cleaning and checking
6. Our main menus are all dated and are single use at the table
7. We are not requesting any of our teams to use PPE
8. Tables inside and out have been positioned to allow social distancing and efficient service
9. Where queueing is necessary we ask all guests to respect and adhere to the 1m distancing guidelines
10. We may have doors and windows open to allow greater ventilation of the building – if you think you may be cold please layer up
11. We will monitor queues and customer areas
12. Screens are installed in certain areas that we believe benefit from some extra isolation
13. We are accepting cash and card payments, payment machines will be cleaned regularly
14. We ask that children are sat and supervised at all times, the field is closed for any public use
15. Our building is cleaned by our teams nightly and with a contract cleaner daily
