

# Coming to eat... Updated 10<sup>th</sup> July

As we reopen our doors to trade, booking is now essential for you to enjoy the restaurant. We will have limited availability for walk in drinking and dining. We are constantly reviewing everything as we go.

We do not book tables outside as we do not have a wet weather contingency and run the risk of overbooking if it rains.

**Where possible and with bookings taking priority, we will be serving food in these areas: restaurant, umbrella pad, terraces, beer tent – we will not be serving food on the island across the water, that is for drinks only.**

We have tried to detail the best info we can below, if in doubt, contact us.
