

Covid Secure Updated 23rd Sept

Booking is the easiest and best way to enjoy food and drink at the restaurant. We will have limited availability for walk in drinking and dining. We are constantly reviewing everything as we learn and the rules change.

We always act upon Government advice regarding procedure and will constantly evaluate this internally.

In accordance with the new guidelines we are undertaking the following measures to keep the restaurant a safe and enjoyable environment.

Team and Guests:

1. All restaurant staff and customers are required to wear masks unless seated at tables
2. Every team member completed a Covid 19 awareness course prior to relaunch in July 2020
3. Daily team temperatures are taken, logged and monitored upon arrival to work for all staff
4. Hand sanitising stations are available in all staff and customer areas
5. These stations will include restaurant entrance and exit points, toilet corridor, staff corridors and the kitchen
6. Cleaning schedules with key time slots are in place for touch point surface cleaning and checking
7. Our main menus are all dated and are single use at the table
8. We are not requesting any of our teams to use PPE
9. Tables inside and out have been positioned to allow social distancing and efficient service
10. All areas of operation are table served for food and drink with no standing customers anywhere on site
11. Where queueing is necessary we ask all guests to respect and adhere to the 1m distancing guidelines
12. We may have doors and windows open to allow greater ventilation of the building during warmer weather – if you think you may be cold please layer up accordingly
13. We will monitor queues and customer areas
14. Screens are installed in certain areas that we believe benefit from some extra isolation
15. We are accepting cash and card payments, payment machines will be cleaned regularly
16. We ask that children are sat and supervised at all times, the field is closed for any public use
17. Our building is cleaned by our teams nightly and with a contract cleaner daily
