

Coming for drinks...Updated 15th Oct

Booking a **table for a meal** is the easiest and best way to enjoy food and drink at the restaurant. We book tables for drinks only in the bar area Monday to Thursday day & night.

We are constantly reviewing everything as we learn and the rules change.

All we ask is that you are respectful of the systems and policies that we have to manage.

We are in the process of purchasing and installing a heated marquee on the river terrace, but given the changing nature of what we are allowed to do this will take some time.

1. We have river benches and a beer tent for walk in seated drinks, the bar area is now set up for dining and drinking table service
2. Tables can be booked in the bar for drinks, Monday to Thursday only
3. Drinks bookings are in 1 hour 45 minute slots, 8pm is the latest booking time
4. All drinks can be consumed at seated tables of a maximum of 6 guests, we have 3 x 2 tops / 2 x 4 tops / 1 x 6 top
5. We have no extra space for drinkers inside if it rains and all inside tables are taken, the beer tent is available
6. If you are drinking in your social bubble, we advise that you arrive together to avoid queueing or confusion with multiple people trying to join existing tables
7. Guests with dogs are allowed outside in the benched areas and the beer tent
8. All non-booked tables are on a first come first served basis, and we ask that you leave them in the positions they are laid out in
9. We may need to turn your table to allow the next set of guests in, this will be communicated to you on seating
10. As we are now table serving all guests there may be a delay in service at busy times

We hope that this clears up some of the questions that you have.

We appreciate your patience as we all try to adapt to the changing of the rules.
