

Coming for drinks...

Updated 4th March

Booking a **table for a meal** is the easiest and best way to enjoy food and drink at the restaurant. Until further notice we are only serving outside on the tables adjacent to the building. The island will remain closed.

We are constantly reviewing everything as we learn and the rules change.

All we ask is that you are respectful of the systems and policies that we have to manage.

Please be aware of the rules:

<https://www.gov.uk/government/publications/reopening-businesses-and-venues-in-england>

1. Tables are bookable for dining only – drinks are first come first served, diners take priority
2. Tables are allocated for a maximum of 2 hours after which we may need to turn them for future guests
3. All food and drink is served to seated guests via table service, all bar-tabs require a card to be left with staff
4. Dogs are welcome at all outside tables
5. All tables need to be left in their original positions
6. We will not split larger groups across multiple tables
7. As we are now table serving all guests there may be a delay in service at busy times

We hope that this clears up some of the questions that you have.

We appreciate your patience as we all try to adapt to the changing of the rules.
